POLITICAL SLAVERY

“Anytime a Man or a Woman fails or refuses to cast a sacred ballot at the polls they separate themselves from all rights of an American citizen. for surely this is the one connecting medium for a citizen to his nation. They become no more than belated beast of burdens. There are reasons why certain classes, who are more or less independent, take no part in politics since they say they get nothing out of such in the way of material gain. This is no less than a political slave since they refuse to voice their sentiments at the polls. Another form of political slavery which is probably more prevalent among the less independent classes is that of being forced into one of the major parties and there bribed, coerced or otherwise forced to vote the wishes of someone else regardless of their own minds. Before there can be general relief for the economic good of all, all forms of political slavery must be abolished and every citizen must take his part in the affairs of the nation.” – ***Moorish Guide Newspaper Article, 1928***

ALL REGISTERING

“The three thousand Moslems of the Grand Temple and the West Side Temple are making ready to register every Man or Woman in order to take the lead for the various candidates whom they have been instructed to vote for. Alderman Louis B Anderson, Hon. George W. Blackwell, Hon. Oscar DePriest, Hon. H. Jackson, all working through the regular Republican Organizations of which The Hon. Daniel M. Jackson is our matchless leader all know the whole situation and have their own way and time to give the order to go. The Moslems will be ready.” – ***Moorish Guide Newspaper Article, 1928***

FOLLOWING OUR LEADERS

“The thousands of Moorish Americans will follow their leaders. Regardless of propaganda put forth by those who have designs to hinder them in the work for the advancement of their people. We will not stop to question the requisites, qualifications nor anything else, so long as our leaders who have investigated and passed on the course of action which we feel is enough endorsement for us to act.

We have long known that the first attempt to crush the leaders of any movement or organization is to plant dissention among their followers. Such will never will never be the case with the Moorish Americans, for when we have chosen our leaders that within itself tells the world that we are going to follow them. All of the knocks and slams that come from anyone against our

leaders will be ignored by us. Where they lead us we will follow.” – *Moorish Guide Newspaper Article, 1928*

A DIVINE WARNING BY THE PROPHET FOR THE NATIONS

The citizens of all free national governments according to their national constitution are all of one family bearing one free national name. Those who fail to recognize the free national name of their constitutional government are classed as undesirables, and are subject to all inferior names and abuses and mistreatments that the citizens care to bestow upon them. And it is a sin for any group of people to violate the national constitutional laws of a free national government and cling to the names and the principles that delude to slavery.

I, the Prophet, was prepared by the Great God Allah to warn my people to repent from their sinful ways and go back to that state of mind to their forefathers Divine and National principles that they will be law-abiders and receive their divine right as citizens, according to the free national constitution that was prepared for all free national beings. They are to claim their own free national name and religion. There is but one issue for them to be recognized by this government and of the earth and it comes only through the connection of the Moorish Divine National Movement, which is incorporated in this government and recognized by all other nations of the world. And through it they and their children can receive their Divine rights, unmolested by other citizens that they can cast a free national ballot at the polls under the free national constitution of the States Government and not under a granted privilege as has been the existing condition for many generations.

You who doubt whether I, the Prophet, and my principles are right for the redemption of my people, go to those that know law, in the City Hall and among the officials in your government and ask them under an intelligent tone, and they will be glad to render you a favorable reply, for they are glad to see me bring you out of darkness into light. Money doesn't make the man, it is free national standards and power that makes a man and a nation. The wealth of all national governments, gold and silver and commerce belong to the citizens alone and without your national citizenship by name and principles, you have no true wealth, and I am hereby calling on all true citizens that stand for a National Free Government, and the enforcement of the constitution to help me in my great missionary work because I need all support from all true American citizens of the United States of America. Help me to save my people who have fallen from the constitutional laws of the government. I am depending on your support to get them back to the constitutional fold again that they will learn to love instead of hate, and will live according to Love, Truth, Peace. Freedom, and Justice, supporting our free national constitution of the United States of America.

I love my people and I desire their unity and mine back to their own free National and Divine standard because day by day they have been violating the national and constitutional laws of

their government by claiming names and principles that are unconstitutional. It Italians, Greeks, English, Chinese, Japanese, Turks, and Arabians are forced to proclaim their free national name and religion before the constitutional government of the United States of America, it is no more than right that the law should be enforced upon all other American citizens alike. In all other governments when a man is born and raised there and asked for his national descent name and if he fails to give it. he is misused, imprisoned, or exiled. Any group of people that fail to answer up to the constitutional standards of law by name and principles, because to be a citizen of any government you must claim your national descent name. Because they place their trust upon issue and names formed by their forefathers.

So, there isn't but one supreme issue for my people to use to redeem that which was lost, and that is through the above statements. Then the lion and the lamb can lie down together in yonder hills. And neither will be harmed, because Love, Truth, Peace, Freedom and Justice will be reigning in this land. In those days the United States will be one of the greatest civilized and prosperous governments of the world, but if the above principles are not carried out by the citizens and my people in this government, the worst is yet to come, because the Great God of the Universe is not pleased with the works that are being performed in North America by my people and this great sin must be removed from the land to save it from enormous earthquakes, diseases, etc.

And I, the Prophet, do herein believe that this administration of the government being more wisely prepared by more genius citizens that believe in their free national constitution and laws and through the help of such classes of citizens. I, the Prophet, truly believe that my people will find the true and Divine way of their forefathers, and learn to stop serving carnal customs and merely ideas of man, that have never done them any good, but have always harmed them.

So, I, the Prophet, am hereby calling aloud with a Divine plea to all true American citizens to help me to remove this great sin which has been committed and is being practiced by my people in the United States of America, because they know it is not the true and Divine way and without understanding they have fallen from the true light into utter darkness of sin, and there is not a nation on earth today that will recognize them socially, religiously, politically or economically, etc. in their present condition of their endeavorment in which they themselves try to force upon a civilized world, they will not refrain from their sinful ways of action and their deeds have brought Jim-Crowism, segregation, and everything that brings harm to human beings on earth. And they fought the Southerner for all these great misuses, but I have traveled in the South and have examined conditions there, and it is the works of my people continuously practicing the things which bring dishonor, disgrace, and disrespect to any nation that lives the life. And I am hereby calling on all true American citizens for moral support and finance to help me in my great
